QUALITY ENGINEER

 Tangerang City, Banten |  0896-2220-9215 |  ammarsentrajaya@gmail.com

PROFILE SUMMARY

I was a graduate of the information engineering degree from the university of Pamulang and a GPA of 2.97, I could work on a team or individually, because in my opinion the most important thing was to complete a job for better corporate development. My experience in various organizations has also shaped me to be adaptable, quick, accurate, and organized at work.
